CELEBRATING 75 YEARS OF

Pastry Evolution & Chocolate Excitement

For 2025 we see the trends 'Affordable Luxury' and 'Escapism' become further relevant. Consumers are looking for feel-good moments to balance the external influences they face daily. Refinement & elegance make culinary creations look like an affordable luxury. While mood-lifting, playful, colourful and cute products that feel familiar ('Newstalgic') allow consumers to escape in a moment of indulgence.

Therefore we continuing our two main concepts 'Pure Elegance' and 'Playful Indulgence'. With this inspiration and our creations, we aim to help you benefit from these consumer trends.
