White Chocolate Namelaka

In a pan heat up the milk, cream and glucose. Take it off the heat when it's boiling. Add the bloomed gelatine, white chocolate and mascarpone. Mix this with a handblender and let it set overnight. Whip before using.

Assembly, layout and finishing

Make the tartlets in a heart shaped mould and freeze them. Bake them when frozen. Start with a layer of sponge, then on top the cremeux and put it in the fridge to set, once it's set, pipe the lines of namelaka with a small piping tip. Decorate the tartlets with drops of neutral jelly and dobla decorations.

Enjoy this exciting recipe.
