

Chocoffee. Gateaux de voyage

The coffee culture in Asia is becoming more and more famous. Many coffee shops are opening with their own signature coffee bean. This inspired us to create this Coffee Pound Cake, designed for coffee, bakery and pastry shops that would like to use their own unique coffee bean as a signature flavour. Perfect to pair with their own coffee. An additional benefit is that this cake can be stored ambient and does not need to be chilled.

Recipe

IRCA ALICE CAKE COFFEE (1 Mould Inner 230x50x65mm)

Alice's Cake	185g
Water	70g
