Assembly, layout and finishing

With the help of a toothpick dip the frozen carrot cake into the tangerine custard, making sure to cover all the surface of the cake and to start giving a carrot shape to the dessert. Put the cake in the blast chiller to set the custard. When the custard is set dip into the orange coating creating a fine crust. Let set the cake in the fridge, remove the tooth pick and decorate with the CURVY LEAF GREEN and the new CUTE BUNNY.

Enjoy this exciting recipe.
